HOW TO GET STARTED

We make it easy to get started taking advantage of your CVA:

- » Watch for an email with your VisionLink login info to get access to free daily telematics for the first year.
- » When your machine is due for service, we will contact you to confirm where to deliver your next scheduled PM kit.
- » Visit empirecat.com/onlinetools for helpful resources and tutorial videos for VisionLink, Cat Inspect, and more.

Contact your Account Manager or Product Support Sales Rep with any questions.

*Valid for used machines that meet the CCU and EPP minimum requirements only. CVA applies to the first 2,000 hours or 12 months, whichever comes first. Travel and labor not included. Client responsible to mail in or drop off SOS samples at nearest Empire location for client to be advised.
